

The Kidney and Hypertension Center Scholarship

The Kidney and Hypertension Center (KHC) is pleased to announce our first annual scholarship. The scholarship is being introduced in March 2024 to help highlight Kidney Awareness Month.

Scholarship Information:

- **Purpose of Scholarship:** In a world increasingly challenged by health crises and complex medical needs, supporting students interested in medicine is more crucial than ever. Scholarships like the KHC Scholarship not only alleviate financial barriers for these dedicated students but also symbolically invest in the betterment of global health. By nurturing their education and passion, we are investing in a healthier, more resilient future for all.
- **Award Amount:** \$2500
- **Number of Awards:** Two (2) Scholarships

All applicants must complete the entire application and submit it to khcscholarship@khccares.com by the end of day on April 14th, 2024. The winner of the scholarship will be selected and notified by April 30th, 2024.

Eligibility: Eligibility is limited to applicants who meet all the following criteria:

- Applicants must be in their senior year of high school in the year 2024.
- All applicants must have a minimum GPA of 3.0 or its equivalent
- The application must be completed in its entirety.

Rules and Regulations:

- Award money will be given on behalf of the student to the college of their choice.
- The award must be used toward tuition, fees, room and board, books, or other education-related expenses.
- The award will be renounced if not used within two (2) years of issuance.
- The winner will attend a photo op to receive their award. The award will be given during the 2024 Cincinnati Kidney Walk with the time TBD.
- The winner allows KHC to use their name and photo in marketing and social media for scholarship promotion.

Selection Process:

Applications will be reviewed by a panel of healthcare professionals and educators associated with KHC. Selection will be based on academic excellence, the quality of the essay, and demonstrated passion for the field of medicine.
